

## Annex 2- Documents and information sources.

The evaluation requires an exhaustive analysis of the existing documentation regarding the Convenio. In some cases, it will be documentation provided by CODESPA, Action Against Hunger and/or the local counterparts and in other cases it will be relevant documents obtained by the evaluation team on their own initiative.

The documentation matrix presented below will have to be completed in its methodologic proposal by the evaluating equipment.

<b>DOCUMENT</b>	<b>CONTENT</b>	<b>PROVIDER</b>
Approved document of Convenio	Document with the complete Convenio Design	Consortium
Identification documents of Convenio	Initial diagnosis	Consortium
Planification PAC 1, PAC 2	Annual Operative Plans of Convenio	Consortium
Monitoring reports PAC 1	Monitoring reports (including verification sources)	Consortium
Verification sources	Systematization of the activities conducted	Consortium
Base line	Community profiles and Gender Gap Study	Consortium
